

SPECIFICATIONRange: **PIAZZA**Design: **Caimi Lab**Code: **435-I**

Dimension: length 15 cm, depth 8 cm, height 26 cm

Description: satin finish AISI 304 stainless steel wall-mounted ashtray, also for outdoor use, composed of three elements:

- 3-hole plate for wall installation. The interior is specially shaped to form the supports that fasten the ashtray/cigarettes tray in place
- shaped front flap which opens upwards, rolled edges and funnel-shaped hole to collect the ash and cigarettes. The flap is fitted with a nickel lock (complete with square key) and has the symbol of a cigarette laser engraved above the funnel-shaped hole.
- removable inner ashtray/cigarettes tray made of watertight welded stainless steel.
